

**ALICE CAMPBELL for  
HOME MORTGAGE FUNDING  
908-654-7777**

As a Realtor, naturally I want to be sure Buyers

- Can **obtain their pre-approval quickly and easily**
- The mortgage **money is guaranteed** to be available at the closing

Especially now, in this "tight money" climate, buyers need to be sure that the lender they choose will, in fact, be able to come through with the funds.

For that reason, **I wholeheartedly recommend ALICE CAMPBELL** to all buyers. Alice has 20+ years experience in the financial services industry -- that means contacts with all lenders, and the savvy to know **what will work and what won't for YOU.**

**YOU'LL NEVER BE DISAPPOINTED WITH
